Alcohol: 13.4%
pH: 3.44
Residual Sugar: 7.1 g/L

Windsor Recommends

No matter how spicy the apps at your next party, the lively flavors and energetic acidity of our Fusion White Wine offers a fruity, refreshing counterpoint to cool the fire. At this price point, this is your go-to wine for your Tuesday night Vietnamese take-out.

Sourced from prestigious vineyards throughout California. The 2016 California winegrape harvest was early, with a mostly normal yield of exceptional quality fruit throughout the state. A relatively even growing season followed welcome winter rains that helped to alleviate the drought.
