

2013 MERLOT
North Coast

Merlot is like that ol' pick-up truck of mine. Dependable. A real worker. Just jump in and start it up. It never lets me down. Oh sure it might not be fancy. But I can't tell you how many times I'm glad I have it. And my friends are glad I have it too. It just makes my life easier. And isn't that what it's all about?
