

COSENTINO WINERY

2019 THE CAB, LODI

COMPOSITION

89% Cabernet Sauvignon, 7% Petit Verdot, 4% Cabernet Franc

TASTING NOTES

Dark fruit aromas, black currant, violets. Juicy, good mouthfeel, dark berry. Nice lingering finish.

RECOMMENDED FOOD PAIRING

Pair THE Cab with grilled meats, braises or stews; hearty fare that can stand up to a youthful Cabernet.

WINEMAKING NOTES

In general, 2019 was a later harvest with light to average yields compared to recent years but showing high quality. A cool Spring was followed by a moderate Summer. A heat spike in mid-August kicked off harvest and most all of the Cabernet was picked before September's end. A great wine on its own or with your favorite red wine friendly cuisine—enjoy now or over the next three years.
