## 2014 THE CAB, LODI

---

### TASTING NOTES

Our 2014 THE Cab is deep ruby red in color with aromas of black currant, kumquat, sandalwood and baking spices. This medium bodied wine showcases structured tannins and layers of flavors like dried cherries and dark roast coffee that continue to evolve and linger. Pair this young Cabernet with your grilled favorites.

### RECOMMENDED FOOD PAIRING

A young Cabernet Sauvignon loves grilled dishes, as the charred nature of the meat mirrors the edginess of the tannins in the wine.

### WINEMAKING NOTES

The 2014 THE Cab is made with hand-picked and sorted fruit from the best vineyards in Lodi. THE Cab started fermentation in stainless steel tanks and aerated pump-overs were used to extend the maceration cycle for better richness and mouth feel. The wine was aged in new French oak which integrated the characteristics of the fruit with the spice and toast of the barrel.

### WINEMAKING INFORMATION
