

DELECTUS

Winery

ALL DELECTUS WINES are crafted unfinned and unfiltered and are completely unadulterated (no spinning cone, reverse osmosis, mega purple, concentrate, or other magic tricks). We pride ourselves in producing expressive red wines that are big and bold without compromising the art of winemaking.

CABERNET FRANC

Knights Valley

“The 2013 Cabernet Franc reveals attractive notes of espresso, chocolate, mocha, blackberry and cassis. An impressive Cabernet Franc and another great example of Knights Valley viticulture, this dense, rich, full-bodied wine is capable of going the distance of 20+ years.”

TASTING NOTES

Immediately appealing when first poured, the 2013 Cabernet Franc shows intense ripe fruit, with notes of black cherry, mocha, allspice, cherry pie and black licorice. On the palate, a dense core of ripe super-ripe tannins, layered with well-integrated French oak, provides good structure and assurance for a long life in the bottle.

This vintage was sourced from a rocky hillside vineyard perched above the fogline in Knights Valley. There the terroir is conducive to making inky, concentrated wines of great distinction. That is the essence of Delectus.
