2018 Firesteed Willamette Valley Pinot Noir

In 2018, after a dry dormant season with half of normal rainfall, favorable weather continued in the Willamette Valley culminating in a truly classic Oregon vintage. Firesteed's Pinot Noir grapes were harvested September 29th – October 21st.

Our 2018 Pinot Noir continues the Firesteed tradition of a consistent fruit driven style, achieved with gentle techniques in the cellar and imagination in the vineyard. The grapes were fermented in stainless steel tanks with selected yeasts propagated from cellars in Burgundy, pressed during the last days of fermentation and racked as soon as the wine finished malo-lactic fermentation.
