2019

## *Riesling*

OREGON

### VINTAGE NOTES

The 2019 vintage in Oregon yielded refreshingly traditional Oregon wines. The growing season was not marked with the extreme temperatures that we have had in prior years, and harvest—while still on the early side in late September—experienced cooler weather and a long window to pick into mid-October. The wines enjoy exuberant aromatics with lively fruit flavors and excellent balanced acidity. Expect the Oregon 2019's to be fruit forward but will continue to improve with several years of cellaring.

### TASTING NOTES

2019 Riesling Willamette Valley shows lovely fruit-driven aromas of peaches and lemon/lime. Sweet notes of papaya and green apple on the palate with loads of crisp fruit notes and a lingering mineral laden finish.
