

FIRESTEED

2020

Pinot Gris

WILLAMETTE VALLEY
OREGON

VINTAGE NOTES

Despite the pandemic and weather related challenges of 2020, this vintage of Firesteed Pinot Gris saw perfect growing conditions to fully ripen — including low yields and concentrated fruit flavors. We were very fortunate that the locations of the primary Willamette Valley vineyards were far enough away to escape the damaging smoke. We are very proud of this 2020 Pinot Gris which is truly a product of the unique growing regions of the Willamette Valley.

WINEMAKING NOTES

By blending several vineyard sources and avoiding heavy-handed winemaking techniques we hope to achieve a balanced wine focused on the abundant varietal fruit character of this classic grape.

TASTING NOTES

Pale in color and very aromatic, the 2020 Firesteed Pinot Gris shows sweet floral notes as well as honey and fresh stone fruit on the nose. The palate is light on its feet with a great balance of minerality and acidity for a nice mouthfeel, with notes of honeydew melon, tart green apple and lime zest.
