

FIRESTEED

2021

Pinot Gris

OREGON

VINTAGE NOTES

The 2021 vintage was a quintessential Oregon vintage – beautifully ripe with restraint and vibrant natural acidity. The early part of the year was quite cool with the heat occurring only in the summer months and the ripening occurring in the long cool fall. These conditions optimally ripened fruit with intense perfume and bright fruit flavors while retaining alcohol and finishing with delicious minerality and balance.

WINEMAKING NOTES

By blending several vineyard sources and avoiding heavy handed winemaking techniques we hope to achieve a balanced-wine focused on the abundant varietal fruit character of this classic grape.

TASTING NOTES

Pale in color and very aromatic, the 2021 Firesteed Pinot Gris shows fresh floral aromas with hints of tropical fruit on the nose. Bursting with natural acidity the palate is light and crisp, with a great balance of fresh mango, guava, tart green apple, and lime zest. Finishing with notes of minerality and a lovely texture showcases the quintessential character of classic Oregon Pinot Gris
