2018 MIXED WHITES NORTH COAST

VINTAGE NOTES

The 2018 vintage proved nearly ideal with even ripening and a long, evenly paced harvest. Yields were slightly below average and grape quality was quite high. The select vineyard sources for this lively white wine afford an abundance of character and when blended together they form a seamlessly refreshing sipper.

VINEYARD NOTES

Sourced from select vineyards throughout the North Coast, each prized for their high-quality fruit and their unique flavor and aromatic characteristics they lend to the blend.

TASTING NOTES

This lively sipper reveals market-fresh aromas of tree-ripened peach, pear and white blossoms. The palate is substantial in weight with more fresh fruit – tangerine, Meyer lemon, green apple, and nectarine flavors with a hint of minerality leading to a zingy finish.

ABOUT THIS WINE

A white wine complement to our ever-popular Mixed Blacks. When immigrants first settled in California, they brought with them cuttings from their villages and planted what would later become known as “field blends”. Harvested and blended together, they were common before the rise of single varietal wines. Much harder to find today, they are our tribute to a California winemaking tradition.
