NAPA VALLEY

AUTHENTICALLY NAPA.  
CONSISTENTLY GIRARD.

AT GIRARD, WE ARE PASSIONATE ABOUT WINE, WE ARE DEDICATED TO THE LAND, AND WE ARE PROUD TO CALL NAPA VALLEY HOME.

*For the past 40+ years, Girard has been singularly dedicated to ensuring balance in our wines. Our decades-long relationship with growers along with small-batch fermentation techniques and meticulous blending, produce consistently award-winning wines that offer richness, complexity and balance in each sip. We are dedicated to employing techniques and operating a facility that allows us to take the time with each and every wine to express its true character.*

Located in picturesque Calistoga at the northern end of the Napa Valley, our new state-of-the-art winery and tasting room offers an incredible location to enjoy our authentically Napa, consistently Girard wines. Nestled between the Vaca and Mayacamas Mountain Ranges, you'll enjoy breathtaking views alongside our selection of tasting room exclusive and small lot wines.

**Our winery was built for innovative winemaking.** Often called "ambitiously efficient", our state-of-the-art winery in Calistoga, completed in 2018, employs cutting edge energy saving initiatives allowing our team to practice traditional winemaking techniques. Respecting the land does not stop in the vineyards and our facility is another way we reflect and respect the heritage of Napa Valley's terroir.

## OUR WINEMAKER

Our winemaking team is comprised of experienced, award-winning vintners who share the passion of terroir-driven wine. Winemaker Glenn Hugo started his career with Girard in 2006 as a harvest intern and was quickly promoted to Cellar Master and Assistant Winemaker before earning the title of Girard Winemaker. Glenn's background in the restaurant industry has led to his artisanal approach to winemaking with a focus on wine as part of the culinary experience. Glenn's philosophy is simple: wine is to be shared with friends and family; it is a living and breathing expression that constantly evolves and instills memories.

## OUR VINTNER

Longtime vintner and native Californian, Pat Roney, purchased Girard shortly after the new millennium. Roney got his start in wine as a college student in Chicago working as a sommelier at the renowned Pump Room. Quite taken with the industry, he enjoyed a broad career in wine. In 2000, Pat's passion for wine and love of Napa Valley led him back to California where he became a partner and owner at Girard.

## OUR VINEYARDS

Napa Valley is steeped in tradition and built on the hard work of families of growers who pioneered this acclaimed winegrowing region. Our vintner Pat Roney and Winemaker, Glenn Hugo, have forged decades-long relationships with growers throughout the valley. We have cultivated friendships with these families whose ancestors were among the first to plant in Napa and whose vineyards we have fallen in love with. Each vintage, we are proud to select fruit from the best sites including Rutherford, Diamond Mountain, Oakville, St. Helena, and Calistoga. All playing an essential role in the delicious wines produced by Girard.
