CABERNET SAUVIGNON

The Story

Have you ever dated brothers? Worn leather pants to a wedding? Paired white wine with red meat? Then you just might be a mischief maker. You keep us up after bedtime on a school night. You change your hair color like most people change their socks. You make lives more complicated, but less boring. You'll be in the stories we tell our grandchildren. You love trouble. And we love you.

What's in it?

Cabernet Sauvignon

Smells Like...

Plums, berry jam and dried herbs.
