WINES

MENDOZA, ARGENTINA

## wild one

MALBEC

### The Story

Every family has one. The wild one. The girl who zigs when everybody else zags...who likes skydiving better than square dancing...who has horse-trekged across Mongolia and played polo with the Prince...the sister who posts photos of herself on the yacht...the crazy, beautiful one who always keeps you on your toes. For those of you who know and love a wild one, this spicy and delicious red wine may just inspire you to break some rules.
