WINES

CALIFORNIA

sweet & savvy MOSCATO

The Story

After a long hard day of being fabulous, I like to relax with a glass of wine. But I don't want it to bite me back. Isn't there enough drama in this world? That's why this Moscato is my new best wine friend. With a touch of natural sweetness, it's smooth and refreshing and so easy to love. Moscato, always stay as sweet as you are. I'll handle the rest.
