goodie two shoes PINOT NOIR

The Story

Don't hate me because I'm beautiful. Or because I graduated top of my class. Being almost perfect is a terrible burden to bear. So I must confess I do have one or two vices. Wine, cheese, cheeseburgers, vampire novels, pink outfits and serial flirting...is that more than one or two? I hope my secrets are safe with you. I have an image to protect. Let me buy you a glass of wine.

What's in it?
