CHARDONNAY
SANGIACOMO VINEYARDS

The Augusta Chronicle

The Chardonnay is a gorgeous golden yellow in the glass with inviting aromas of crème brûlée, honeydew melon and some baking spices. This complex wine has a rich texture as layer after layer of flavor unfolds, giving you a hint of Asian pear, apple, cantaloupe and meyer lemon. Ripe fruit surrounded by toasty oak gives way to a pleasant minerality in the finish.

I would serve this wine with many dishes, especially seafood and chicken. But I think I hit the jackpot by pairing it with inch-thick tuna steaks cooked on the grill.
