Hommage Artist Series Reserve  
Simon Hantaï (1922-2008)

*Untitled, 1955*

Born in Hungary and naturalized in France, Simon Hantaï spent most of his life in Paris. A famously reclusive painter, Hantaï was initially influenced by Jackson Pollock's abstract designs but later devoted himself fully to developing new techniques, most notably the Folding Method. Hantaï's works often reflect simplicity, delicacy and calligraphic nuances; the work on this label shows flame-like arabesques against a dark background.

In homage to Hantaï, we offer our finest expression of Cabernet Sauvignon; made with grapes from our Tenma Vineyard Estate in the renowned Jericho Canyon of Calistoga. This concentrated and stately wine possesses the richness, fruit complexity and dense structure capable of bottle aging for many years.
