2012 CHARDONNAY
CARNEROS ■ NAPA VALLEY
Homage Artist Series Reserve
Simon Hantaï (1922-2008)
Untitled, 1955

Hantaï, a Hungarian painter, spent most of his life in Paris, where he was initially active in the Surrealist movement.

Influenced by Jackson Pollack, his works often have the simplicity, delicacy and calligraphic emphasis of art which made him known as the graphic side of Action Painting. The work on this label shows flame-like arabesques against a dark background. In homage to Hantaï, we offer our finest composition of Chardonnay grown in Mitsuko's Vineyard, our Estate located in the cool Carneros region. Conceived from an older planting of the venerable Wente selection, this wine expresses concentration, depth and drive together with an energetic minerality unique to our site.
