★★★★★

Restaurant Wine
September 2019

“A fresh, vibrant Sauvignon that is full bodied, supple in texture, finely flavored (pear, lime, white peach, lemon grass, guava), well balanced, and lingering on the finish. Great value. From the Musque clone of Sauvignon. Aged 4 months in stainless steel.”

The Wine Advocate
November 2019

“The 2018 Chardonnay sings of lime blossoms, pink grapefruit and green mango with hints of lemon zest and coriander seed. Medium to full-bodied, it has lovely satiny texture and great intensity, finishing on a lingering lemon/lime note.”

Restaurant Wine
January 2019

“Impressive wine at the price. It is full bodied, richly flavored, and complex; a wine with fleshy texture, excellent depth, light oakiness, and a very long finish, tasting of pineapple, white peach, candied lemon, vanilla, lime, and spicy. Great value.”

The Wine Advocate
October 2019

“The 2017 Chardonnay Hommage has compelling scents of almond croissant, candied ginger and orange blossoms over a core of fresh pineapple, warm apricots and honeyed pears. Medium-bodied, the palate has lovely purity and freshness with a dry, honey-laced finish.”

Restaurant Wine
January 2019

“The 2016 is ultra-ripe in style. A full-bodied, fleshy wine that is balanced, with fine fruit-and-oak integration, rich aromas/flavors (pineapple, lime, candied lemon, toast, vanilla, white peach, lime), and a very long finish. Aged 9 months in French oak barrels, 30% new.”

The Wine Advocate
November 2019

“Pale ruby-purple in color, the 2018 Pinot Noir Mitsuko's Vineyard springs from the glass with very pretty notions of fresh raspberries, Bing cherries and wild strawberries with nuances of rose hip tea, cinnamon stick and forest floor plus a waft of lavender. Medium-bodied, elegant and refreshing, it has a fragrant, quiet intensity and wonderfully pure finish.”

Beverage Dynamics
September/October 2019

“The grapes for this outstanding cabernet were sourced in the northern part of Napa Valley, which produces wines of intensity and saturation. Quite opaque in the glass, the nose is dominated by black fruit, with notes of wood and spice. The dark fruit coats the palate, with layers of appealing black fruit, followed by a bright, balanced finish.”

Jeb Dunnuck
January 2019

“The 2016 Cabernet Sauvignon from Clos Pegase is an attractive effort with some gamey black and blue fruits, spice, lavender, and melted licorice in its rich, full-bodied, flamboyant style. It's a big, rich, mouthful of a wine that has loads to love.”
