“Much to admire in this rich, savory, layered and well-fruited effort, featuring bold dark berry, anise, mocha and jazzy oak, full-framed, deep and persistent. Drink now. 4,570 cases made.” -J.L.

HIGHLY RECOMMENDED

California Grapevine
July 2016

“Medium-dark purplish ruby; black cherry and blackberry fruit aroma with hints of vanilla, graphite, and tobacco leaf; full body; red and black fruit flavors with some initial richness in the mouthfeel, hints of dried herbs and dark chocolate, and a bit drying on the finish; full tannin; lingering aftertaste. Deserves a few more years of aging. Highly recommended.”
