2017 *Willamette Valley* Pinot Gris

## 2017 Firesteed Willamette Valley Pinot Gris

In 2017, a normal spring followed by a hot, dry summer set the stage for an excellent harvest in Oregon's Willamette Valley. Pinot Gris picking began on October 5<sup>th</sup> and continued under ideal weather conditions until October 16<sup>th</sup>.

By blending several vineyard sources and avoiding heavy-handed winemaking techniques we hope to achieve a balanced wine focused on the abundant varietal fruit character of this classic grape.

The 2017 Firesteed Pinot Gris' Crenshaw melon and citrus aromas meld with flavors of tropical fruit, citrus and Bosque pear. Mouthwatering and enticing, its bright acidity and broad texture entwine throughout the wine's lingering finish.
