2015 Firesteed Willamette Valley Riesling

In 2015, a warm winter, spring and summer set the stage for our earliest harvest to date, but the later-ripening Riesling was picked nearly last on September 29th.

The 2015 Firesteed Oregon Riesling open with aromas of apricot stone fruit, Bartlett pears and crisp granny smith apples with the added floral elegance of ripe honeysuckle. On the palate the wine reconfirms the fruit flavors found in the aromas and adds a steel edge acidic minerality that balances the wine's viscosity.
