

# LAYER CAKE

## BOURBON BARREL AGED CABERNET SAUVIGNON

CALIFORNIA

### Brand Story

Layer Cake's name was born out of the simplicity of something handmade, a quality token of love like a cake your grandmother would have made for you on a special occasion. With richly layered flavors from the best regions on earth, Layer Cake wines have a level of depth and complexity that allow you to taste the terroir of the wine-making region, the unique characteristics of the fruit, and the experienced touch of the winemaker.

### Sourcing

Our Bourbon Barrel Aged Cabernet Sauvignon grapes are sourced from various vineyards through California's wine country. This allows for grapes from different California climates to be harvested and blended to make up our bold, Bourbon Barrel Aged Cab.

### Winemaking Notes

When we set out to make Layer Cake Bourbon Barrel Aged Cabernet Sauvignon our goal was to take advantage of the great flavor in both the spirit and the charred oak barrels to add further depth and complexity of flavor to our award-winning Cabernet Sauvignon. We started the way we do with our traditional Cabernet Sauvignon, by finding great vineyards that allow us to make a rich, delicious Cabernet Sauvignon that tastes like \$50, but costs less than \$20. We traveled across the best regions of California, sourcing the highest quality fruit possible. The diversity of the vineyards we sourced from allow us to make a final blend that expresses the concentration, complexity and richness Layer Cake fans have come to expect. After traditional Aging in French Oak, we allowed the Cabernet Sauvignon to age in old charred oak barrels from some of America's finest bourbon distilleries to impart additional layers of flavor and a bolder, more intense character to our Cabernet Sauvignon.

### Tasting Notes

This Bourbon Barrel Aged Cabernet Sauvignon both truly expresses the depth and complexity of the grape as well as the additional vanilla, toasty oak influence of the bourbon and charred barrel that result from 3 months aging in these barrels. The result is a wine that is dense, rich, and jammed with scents of blackberry and vanilla and a long, mouth coating finish complimented by a hint of sweetness.

### Pairing Strategy

Pair this full bodied wine with full bodied dishes, enjoy with bold BBQ or smoked meats, or pair the vanilla & toasted oak flavors with any decadent dessert.
