

# LAYER CAKE

## CREAMY CHARDONNAY

CALIFORNIA

### Brand Story

Layer Cake's name was born out of the simplicity of something handmade, a quality token of love like a cake your grandmother would have made for you on a special occasion. With richly layered flavors from the best regions on earth, Layer Cake wines have a level of depth and complexity that allow you to taste the terroir of the wine-making region, the unique characteristics of the fruit, and the experienced touch of the winemaker.

### Sourcing

Our Creamy Chardonnay is sourced 100% from California's wine country - made from our vineyards in Sonoma County, Monterey County and Lodi.

### Winemaking Notes

Made from our vineyards in Sonoma County, Monterey County, and Lodi. Our vineyards bask in warm California sunshine from these different areas and produce world-class flavors. Sonoma County benefits from the cool, foggy nights and produces wines with green apple aromas and crisp delightful acidity. Monterey is cooled by the constant winds that are sucked in off the Pacific Ocean and produces wines with rich, concentrated chardonnay aromas and flavors with good acidity and longevity. Our Lodi Vineyards have delicious baked apple, ripe pear, and cantaloupe aromas and flavors. Lodi is very warm and benefits from the cool air that blows in daily from 4-7 pm from the Delta and San Francisco bay. Blending these wine regions together helps create a wine with lots of fruit, and crisp acidity on the finish.

### Tasting Notes

Crème Brulee, vanilla cream, candied apple, ripe juicy pear, all come together in a rich mouth full of flavors. The flavors are rich and have generous candied caramel, baked apple pie, buttered toast, juicy fruit and a long crisp finish.

### Pairing Strategy

Pair this medium bodied wine with medium bodied dishes, balance the tropical fruit flavors with citrus and vinaigrettes, or enjoy with a creamy sauce over a hearty fish dishes or roasted chicken.
