## 2013 SONOMA VALLEY CAB FRANC SIGNATURE SERIES

*Our savory and peppery medium-bodied Cab Franc  
is a sure cellar gem.*

Inspired by the heritage and soils of Sonoma, our Signature Series wines are a balance of time, terroir, and careful refinement of exceptional fruit. Each of our Signature Series designated wines are crafted to be shared with friends, family and food.

### VINTAGE & VINEYARD

The weather during 2013 cooperated perfectly, with warm, steady temperatures and limited spring and summer rainfall, which made for slow, even ripening. Ideal for Cabernet Franc, the mountain side vineyard that we sourced the grapes for this wine enjoy cool foggy nights and mornings that gave way to warm sunny afternoons, which helped to build complexity and accentuate the bold fruit flavors.

### TASTING NOTES

Captivatingly complex, our 2013 Cab Franc opens with aromatics of cassis, leather and mint. There is assertive fruit character with intense flavors of roasted chili pepper, juicy red plum and strawberries. The palate has a resonant earthiness that ends in a subtle, sweet toasted cedar finish.

### PERFECT PAIRINGS

The medium body of this wine pairs well with meats that have a little bit of fat and bold flavor. Roasted or braised beef, smoked ham and grilled salmon all make wonderful matches for this varietal. Meals that feature olives, pepper or fresh herbs are complimentary to the same qualities in the wine.
