<i>Cabernet Sauvignon</i> |
| 5. PICHOLINE OLIVE GROVE | |

Founded in 1984 in the heart of Sonoma Valley, B.R. Cohn Winery is known for a long history in music, philanthropy and producing fine wines of exceptional value. Our winery is surrounded by the 90-acre Olive Hill Estate Vineyard, so named as it is bordered by 150 year old Picholine olive trees. Our soils are warmed by underground natural hot springs while gentle ocean breezes create a unique microclimate resulting in ideal growing conditions for our award-winning Cabernet Sauvignon and our other estate varietals.
