## 2017 Chenin Blanc, California

Crisp and clean, fresh cut honeycrisp apple and Asian pear on a bright, soft mouthful of sunshine! Cheerful notes of peaches and melon.

Vintage: 2017  
Varietal: 99.1% Chenin Blanc  
Appellation: California

Alcohol: 12.9%  
pH: 3.41  
Residual Sugar: 7.48 g/L

### Windsor Recommends

Try Chenin Blanc as a delightful alternative to Chardonnay. Ideal for spicier Asian-inspired dishes, warm summer picnics or cold weather soups and stews.

The 2017 California wine grape vintage brought an intense heat wave over labor day weekend in California wine country. Unusually warm temperatures during this week of 2017 resulted in early harvest. Though short, the 2017 vintage produced incredibly complex and aromatic fruit as showcased in this delightful Chenin Blanc.
