Alexandria
Appellation: California
Alcohol: 10.5%

pH: 3.02
Residual Sugar: 9.08 g/L

Windsor Recommends

Our Moscato is a delicious and refreshing companion on a warm afternoon or a great choice to serve at your next outside gathering. Delicious alone, served with mild cheese and fruit, or even spicy foods. This is a fun fruit forward wine that is extremely versatile and a cellar staple.

During the harvest of 2018 in Central Valley, California, vintners were pleased to see the grapes rolling in. The 2018 season started off cooler allowing the growing season to last a couple weeks longer and allowing the grapes to ripen at a slower pace. This vintage is providing exceptional grapes to create fantastic wines everyone can enjoy.
