CLASSIC SERIES

Merlot has come a long way from its ancestral home in Bordeaux. Thanks to its dark fruit and mellow tannins it's a jet setter that is known and loved worldwide. This Merlot has dark chocolate cherry and cedar aromatics with a nice complexity, the mouthfeel is velvety with a balanced acid and succulent weight. There is delicious black currant and cassis with subtle notes of baking spices. This Merlot finishes with a berry compote, French vanilla and a shadow of dark chocolate. Windsor Recommends

Versatile and perfectly priced, it's the ultimate partner for pizza on family video night or put in your backpack with gourmet sandwiches when you go bicycling in the country. A real crowd pleaser, this Merlot is also great for parties!

Sourced from prestigious vineyards throughout California, the 2019 vintage was one of the longer harvests in California wine country. Cooler temperatures in the beginning of 2019 resulted in a longer period before bud break and harvest. Though longer, the 2019 vintage produced incredibly complex and aromatic fruit as showcased in this smooth, jammy Merlot.
