Windsor Recommends

Our California Fusion Red is an easy-going partner for casual gatherings like tailgating or a neighborhood barbecue. Perfectly priced, it's a great pick for holiday parties and all types of gatherings. Ready to drink now, enjoy it for a cozy night in with your favorite movie.

About California

Sourced from prestigious vineyards throughout California, the 2020 vintage was one of the longer harvests in California wine country. The perfect warm weather throughout the 2020 growing season allowed for a smooth sailing through harvest. With no major heat waves, the grapes were able to mature at a slow rate and allow for flavors to shine through.
