Windsor Recommends

Due to our Riesling's delicate structure and perfect balance of sweetness and acidity, it make the ideal match for spicy foods and dishes with ingredients like chili peppers, lemongrass, ginger and lime. Makes a great welcome pour at your next party, or pair with a spread of desserts like French macaroons and vanilla wafers. Present this elegant bottle in one of our gift bags as it does not fit in gift boxes.

About California

This elegant Riesling is proudly sourced from prestigious vineyards throughout California. The vintage began with a warmer and milder season. Over the summer many California vineyards saw beautiful warm days, and June and July were generally milder without experiencing remarkably extended heat spikes or long duration heat events. This contributed to amazing ripeness and greater layers of flavors without excess or exaggerated sugar levels.
