Windsor Recommends

Refreshing and crisp, this aromatic Sauvignon Blanc is the perfect wine for a pool party - light enough to enjoy on its own, and with more than enough substance to carry you through grilled veggie skewers, shrimp or Asian fare.

With approximately sixty miles of rugged Pacific coastline and the mighty Russian River winding its way inland, Sonoma County is blessed with mild, Mediterranean conditions: Warm, sunny days and cool, foggy nights which allow for slow, even maturation, optimal flavor development and ideal sugar to acid balance.
