## Brut Rose North Coast

### PLATINUM SERIES

Aroma of light honeysuckle, pear, lime, and watermelon. The smoothness in the mouth is created by the fine bubbles and time on the yeast. This wine is balanced with fruit and acidity - crispy but not tart. The finish is reminiscent of pink grapefruit, calling you back for more.

12 months on yeast

### Windsor Recommends:

This playful sparkling wine is sure to make your soiree a hit from the backyard BBQ to a classy Luncheon. Enjoy with your favorite BBQ dishes, creamy foods like soft cheese, chocolate, and fruity desserts.

This Brut Rose was crafted in the labor-intensive Méthode Champenoise practiced in the Champagne region of France. Following bottle fermentation this wine was aged in the same bottle on the yeast lees for nineteen months, gradually developing the classic creamy texture and brioche-like character.
